2. Update on Drug Court Team Progress:

- a. It was brought to the Drug Court teams attention at the Standards 101 training that Human Services employees are unable to solicit/outreach for incentives. What other counties have done is have a 501.3c (a non-profit organization) complete the task of outreaching to those in our community. Bob approached FAITH, who has graciously taken upon themselves to do the leg-work on behalf of Drug Court.
- b. The most recent budget modification has been approved with the Drug Court grant.
- c. An additional grant request from SAMHSA was completed on 6/15. We should know in approximately one week if the grant was accepted.
- d. 7/5 will have a practice run of Drug Court (in-court)
- e. 7/26 will kick-off of the first official session of Drug Court (in-court)
 - i. Whitney will check with other counties to inquire how they kicked off their event.
 - ii. Press conference to be scheduled tbd between dry run and kick off
 - iii. Will plan to hold a separate media event once Drug Court has been up and running for approximately 3 months
 1. At this time, we will look into inviting those in the community to attend as support (i.e. notify WEKZ, law enforcement department, lawyers, attorneys, probation and parole, public defenders, the Police Chiefs, the press, Madison Media, FAITH, etc.)
 2. Sue and Whitney have completed COMPAS training. Paperwork to finalize access is awaiting signatures from the DOC.

3. Update on CJCC progress:

Interdepartmental MOU

- a. Bob received an email from Jeb stating that he is unable to sign for the DOC; as it has to be signed at the administrative level. A revised copy of the MOU will be need to be signed again once the signature from the DOC has been obtained.

Kristin – Brochures

- b. Kristin/The Monroe Clinic has graciously printed 150 copies of the Drug Court brochures in house for distribution. While we are unable to make changes in regards to verbiage at this time, if there is something that you think should be changed in the future, please let

Whitney know and she will keep an on-going document of 'changes' for the next printing.
